## LETTER OF RECOGNITION AND APPRECIATION

for

**Mrs Anne-Sophie MILARD**

The National Museum Volunteers is an organisation dedicated to the study and support of the art and culture of Thailand. The primary activity of the National Museum Volunteers group is to conduct guided tours of the National Museum of Bangkok. The group also increases awareness and knowledge of art and culture of Thailand and neighbouring countries through public lectures, study groups and study excursions.

Mrs. Anne-Sophie Milard joined the National Museum Volunteers in 2003 and has been an active and supportive member of the group. She attended the Guiding Workshop in October 2003 and guided in the National Museum of Bangkok in the French language from June 2004 until June 2006.

On behalf of The National Museum Volunteers [NMV], I wish to thank Mrs. Anne-Sophie Milard for her valuable contribution to the group, especially regarding her work on *The Art and History of Srivijaya*, as well as her essays on the following subjects *Taoism* and *Confucianism*, *Borobodur*, *The Palace*, *The Mahabarata*, and to The National Museum Bangkok in general .

But above all, I wish to show my deep appreciation to Mrs. Anne-Sophie Milard for her tireless dedication to the French group, as their French Tour Leader during the last two years. As a hardworking senior member of the NMV Steering Committee she was appointed to the position of Vice-President of the NMV in April 2006.
